# The Yes No Maybe List

Welcome to *For the Love of It's* "Yes No Maybe" (YNM) list!

We here at *For the Love of It* are big fans of these lists! While there are many out there, we carefully created this one by borrowing a bit from others as well as adding much more on our own. It certainly is not the perfect, or exhaustive, list and we will always be reviewing it for improvement. Also, there are many lists out there that include, or specialize in, more activities in a certain genre (like kink or BDSM) and we recommend checking those out if that is what you are looking for!

***Sexual exploration is not always easy or does not come naturally to us all. This is especially true when interacting with a partner and the pressure of rejection, shame, or general discomfort keeps us from revealing our sexual wants and needs.***

The core intent of the **YNM** list is to provide a mechanism for us to talk about our sexual interests efficiently, jointly, and without judgement and pressure. The list does the work, putting a large variety of sexual activities on paper for you and/or your partner to evaluate and discuss. The list is great for everyone... those just starting to explore their sexuality, those who have been exploring for years, brand new relationships, those celebrating their 40<sup>th</sup> wedding anniversary, and individuals. The more we know about what excites us and our partners, the easier it is to explore and get the most out of our sex life. It may even bring many of us closer together and provide greater understanding and acceptance of ourselves as partners and individuals. We even recommend filling out the list regularly (perhaps yearly) to reflect changes in our lives and sexual selves.

## Instructions:

**Before getting started, know this:** *It is vital each partner fill out their own copy of the list in private.* Remember, this only works with complete honesty, openness and, we cannot stress this enough, **zero judgement.**

For each activity listed, you will see three response options. "Yes" means this is *absolutely* an activity you want to do or have done. "No" is a *hard no* and means this is not something you want to engage in right now. "Maybe" is a soft yes, or a curiosity, and it will likely require additional discussion, conditions, or consideration. Following these three responses you will see "Give" or "Receive" check boxes. These should only be used if you answered "yes" or "maybe". Select one or both, depending on if you prefer to only be the recipient of the activity, the one doing the giving, or both. Some acts may not be applicable to you or your partner. Feel free to skip or complete as you feel is appropriate.

**Example:** *You are absolutely interested in being only on the receiving end of anal intercourse. At the Anal Intercourse line, check "yes" and "receive".*

------------------	-------------------------------------	--------------------------	--------------------------	--------------------------	-------------------------------------

Lastly, there is a "Notes" field that allows you to add detail to your answer if you wish. This can be anything, like sharing that the act is a personal favorite, or it is a longtime fantasy, or noting a big concern despite your interest in doing it. It could even be a description of the exact situation you would need to enable the "Yes" for the act or, conversely, the situation that would create a "No". Continuing the Anal Intercourse example above, this could be something like "only after a shower".

# General questions and answers:

Before filling out the list, **please complete** the questions below. Knowing the answers to these could prevent future miscommunications and make for the safest, most comfortable, and most pleasurable exploration. These points are always worth revisiting, even frequently, as they are the critical framework behind our sexual selves. Fill out or circle the answer as necessary.
